#### Submitted by Senator Caswell

# SB 7 School District 80/20 and Hard Cap Comparison

#### Comparing districts in:

Alma (Gratiot)

Ashley (Gratiot)

Kent County ISD (Kent)

E. Grand Rapids (Kent)

Brighton (Livingston)

Howell (Livingston)

Traverse City (Grand Traverse)

Carrollton (Saginaw)

Chesaning Union (Saginaw)

Frankenmuth (Saginaw)

Freeland (Saginaw)

Hemlock (Saginaw)

Merrill (Saginaw)

Saginaw Public (Saginaw)

Saginaw Township (Saginaw)

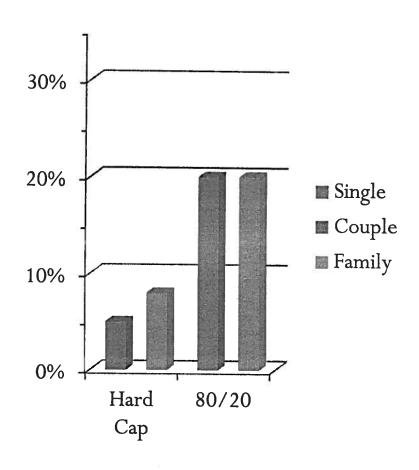

St. Charles (Saginaw)

Swan Valley (Saginaw)

Plymouth-Canton (Wayne)

## Middle Cities Preference

"Middle Cities supports both approaches to cost savings: Hard cap and 80/20 shared costs. Middle Cities prefers legislation that would allow school districts to choose a hard cap or 80/20, whichever works best for their school district."

David J. Zuhlke, Ph.D.
Governmental & Legislative Liaison
Middle Cities Education Association
826 Municipal Way
Lansing, Michigan 48917

#### MASA Preference

#### "MASA supports a combined proposal

Give districts option to choose between 80/20 and hard cap plan."

Brad Biladeau

Associate Executive Director

Michigan Association of School Administrators

Michigan Association of Intermediate School Administrators

#### MASB Preference

"We would prefer that either a hard cap or percentage of premium be selected by the legislature. However, if the compromise ends up being an either or, it's imperative that this decision be included as a prohibited subject of bargaining under PERA."

[Per telephone later stated the PERA condition could be added in different legislation]

Peter Spadafore

Assistant Director of Government Relations Michigan
Association of School Boards

#### **ESA Preference**

"ESA Legislative Group (15 ISDs, 136 Local Districts, 220,000 students) and School Equity Caucus endorse a Bicameral Legislative resolution of your efforts to contain public sector health care costs. While we support Senate Bill 007 because of it's clarity and fairness we recognize that many of our districts and associations prefer the HB 4572 hard cap approach in the House Bill. We are favorable to this approach."

Don Olendorf, Legislative Liaison ESA Legislative Group

#### SB7 or HB 4572?

- Both bills offer savings to school districts
- Both bills have exceptions to the savings
- Both bills have support, and many districts have strong preferences for one side or the other
- A choice seems to be acceptable to all parties
